Note 5 - Performance fees

In addition the Investment Manager is entitled to receive the following performance fees for the following Classes of Shares except BANOR SICAV - EUROPEAN DIVIDEND PLUS and BANOR SICAV - RAFFAELLO PIR:

- **for the Sub-Fund BANOR SICAV - EURO BOND ABSOLUTE RETURN:**
The performance fee per share amounts to 10% of the quarterly end NAV per share of the relevant Share Class that exceeds the High-Water Mark (No performance fee otherwise).

The performance fee per share amounts to 15% of the quarterly end NAV per share of the relevant Share Class that exceeds the High-Water Mark (No performance fee otherwise).

 - On Class I USD and Class I EUR to 17.5% of the return of the relevant Class of Share that exceeds the return of the Index S&P China BMI NR (USD) (SCNUN INDEX),
 - On Class R USD, Class R EUR, Class J EUR, Class J USD and Class J GBP to 20% of the return of the relevant Class of Share that exceeds the return of the Index S&P China BMI NR (USD) (SCNUN INDEX).

- **for the Sub-Fund BANOR SICAV - ROSEMARY:**

 - On Class I USD, Class I EUR and I GBP to 17.5% of the quarterly end NAV per share of the relevant Share Class that exceeds the High-Water Mark (No performance fee otherwise),
 - On Class R USD, Class R EUR and Class J EUR to 20% of the quarterly end NAV per share of the relevant Share Class that exceeds the High-Water Mark (No performance fee otherwise).

For all Sub-Funds/Share Classes subject to a performance fee:

- The performance reference period going through the lifetime of the Fund, the start of the calculation period is either the beginning of a calendar quarter, or the launch date of the share class,

- The performance fee is calculated at the level of each Fund Share Class which means its performance can differ from investors' shares performance according to the date(s) of their subscription(s) within the calculation period,
- The performance is paid on the basis of the last Net Asset Value per share of the calendar quarter and effectively paid at the beginning of the following one within 15 business days,
- There is no possibility of High-Water Mark reset so the performance fee cannot be accrued or paid more than once for the same level of performance over the whole life of the Fund,
- The Investment Manager is entitled to receive 100% of such performance fee.

In addition, the performance fee is calculated taking into account movements on the capital and applying the "crystallization" principle so that the performance fee is calculated on the basis of the Net Asset Value after deduction of all expenses, liabilities, and management fees (but not performance fee), and is adjusted to take account of all subscriptions and redemptions.

At the date of the financial statements, the performance fee was recorded for the following Sub-Funds and amounted to:
